**Type**  
Flexible Seating System

**Design**  
2007  
**Designer**  
Amanda Levete

'Drift-In, Drift-Out is a natural evolution of the Drift bench. I wanted to use the same conceptual language of the piece of found driftwood on these much smaller scale, versatile, modular pieces.' Amanda Levete  
Easily moved about, these smaller curved two-seater benches can be used singularly or positioned together in numerous configurations.

**Dimensions**  
Drift-In
