

ASTERIX

Geometry, a core language of the ASTERIX series, is expressed as timeless objects of light.

Reworking the concept of the traditional lantern to displace the light source from the interior to the external frame, ASTERIX is extruded from the keyboard character of its namesake.

Asterix is a solid fixture that will require very little maintenance over the years.

If your Asterix is treated with care, it will shine brightly for many years to come.

Contact us for custom variations.

Installation should only be undertaken by a qualified professional

QUADRIX

Geometry, a core language of the ASTERIX series, is expressed as timeless objects of light.

Reworking the concept of the traditional lantern to displace the light source from the interior to the external frame, QUADRIX is inspired by the four cardinal points.

TRIPTYX

Geometry, a core language of the ASTERIX series, is expressed as timeless objects of light.

Reworking the concept of the traditional lantern to displace the light source from the interior to the external frame, TRIPTYX plays with the geometry of a triangle.
