DIMENSIONS

1200W x 1200D x 260H mm | 47.2W x 47.2D x 10.2H in

DISCLAIMERS:

METALS - All raw metals; brass, copper, mild steel in their respective finishes are unsealed. Metals in a raw, natural and unsealed state will oxidise and change in colour and tone. This is a completely natural process, therefore all our metal finishes will need to be maintained with an appropriate wax/crème, the application of which will build up a natural sealant over time. **Ferrogain**: a lightly textured matte paint finish.
