saddlestool

SDA / SDB / SDC

Saddlestool is a backless stool/perch inspired by western saddle-making traditions. There are three models compatible with dining, counter, and bar heights. Features include double-needle stitching in contrasting thread, reinforced solid timber frame, and an oil-tanned leather pull to ease positioning. Bar height model features a stainless steel footrest. Upholstery is graded-in wallsdorf leathers or COM/COL. Residential or contract use.
