

## RIVER & RAVINE

PURE NORTHERN CALIFORNIA. THE DESIGN BEGAN AS ONE OF MY WIRE AND PLASTER SCULPTURES, SPRAY-PAINTED AND GASHED WITH A POCKET KNIFE - ALL MADE UNDER TOWERING REDWOOD TREES. FROM THERE, I PHOTOGRAPHED DETAILS OF THE PIECE, WORKED WITH THE YARNS TO CREATE THE MOODY PALETTE, THEN FINALLY WITH THE CRAFTSPEOPLE TO CARVE RAVINES OUT OF THE LUXURIOUS WOOL AND PURE SILK. THE RESULTING RIVER & RAVINE BORROWS HEAVILY FROM THE LANDSCAPES AROUND ME: DRY AND FLOODED RIVERS, SETTING SUN ON THE PACIFIC, GOLDEN HILLS AND DARK, FOGGY GREEN VALLEYS.

+ WOOL & SILK; 100 KNOTS; AVAILABLE WITH OR WITHOUT RAVINES
